

Jeffrey Smith

Jeffrey has successfully started and operated small garment and gift manufacturing companies since 1996. I have experience wholesaling to high level clients such as Bloomindales, Disney, Burdine's, Barns and Noble, Philadelphia Museum on Art and many more.

My entrepreneurial curiosity for new and creative ways to expand the reach of business had brought me to online commerce and promotional projects.

After utilizing new technologies for my own endeavors since the early 1990's I have enjoyed providing strategic planning, web promotion and e-commerce intelligence to wholesales and retailers within the lifestyle industries.
